## CABLE/SATELLITE DISH/TV REQUEST

Date: \_\_\_\_\_

To: River Oak Realty, Inc., Agent for Owner

Re: Request to install \_\_\_\_\_ at \_\_\_\_\_

As of today's date, I (we) the tenants at the above referenced address, make a request to install the above.

We understand the following if approved:

1. We are responsible for the cost of installation and this will not be reimbursed to us at any time or for any reason.
2. We understand that under no circumstance is a satellite dish authorized to be attached to the dwelling unit structure in any way. Installation of satellite dish will be by a "pole mount" only. When the company completes the installation, there is to be no damage to the property. If there is damage, we are responsible for the cost of repairs and/or maintenance.
3. If a satellite dish, we must call the Home Owners Association (if applicable) and follow their rules, regulations and preferred installation location. ROR must also approve the location prior to pole mount installation.
4. If the company installing our request requires written authorization, they are to submit their documentation to the ROR office, and ROR will complete the documentation.
5. When leaving property, it is the tenant's responsibility to disconnect the services, and pay all billings incurred by the tenants listed below.
6. Any damage incurred upon disconnection will be at the tenant's expense.
7. We understand all persons on the rental/lease agreement are required to sign below and all are jointly and severally liable.
